

The Babu Bulletin – November 2012

Good news..... at last the 501 © process in India is completed. Praise God for the answered prayer!!! Finally, after a two-year wait, a lengthy process with lot of visits to the

government agencies and Indian bank, we have been granted permission by the Indian Government to link and operate the bank accounts of Sunshine Ministries, USA and Sunshine Ministries, India. What does this mean or how will things change at our end? **Beginning January 1st, 2013**, we would be able to receive all donations/contributions for India Mission and/or Child Sponsor program with checks made payable to “Sunshine Ministries, Inc” and mailed to P.O. Box 616, Horsham, PA 19044 or 516, Buckman Dr, Hatboro, PA 19040. All donations/contributions are tax-deductible. Meanwhile, please continue to send your support checks to Bux-mont Baptist Church until December 2012. Any questions, please feel free to call us at 215-441-8543 or 215-816-0039. We thank all of you for your fervent prayers in regards to the 501 © process.

The Good Shepherd School and Children's Home - Sunshine Ministries continues to fulfill its mission in helping the needy children pursue their educational goals and aspirations but most importantly introducing them to Christ. We are thankful to the Lord for all the opportunities He provides in serving the children and their families. Due to increased responsibilities of the children, we are currently in need of a second set of House Parents. Lately our seven year old school bus (used one) has been incurring many repairs. Kindly remember these items in your prayers.

Building Project: We praise God for the provision made for the completion of Phase I School building project. The unfinished work (see photo) has been resumed and Phase I of the building construction is expected to be completed by the end of December 2012. Please continue to pray that the Lord would provide to complete the remaining Phase II and Phase III of the school building project. This will enable the staff and the children to have adequate shelter and a safe environment. Thank you for your participation!

The Computer Center and the 16 sewing Centers
train the underprivileged women with basic computer and sewing skills and help them secure jobs, thus improving their economic conditions. So far in 2012, 95 women have enrolled in computer training program and 280 women have been trained with tailoring skills. In addition, they also had the opportunity to hear the gospel. Please pray that the Spirit of God would touch their lives.

Pastors' Group – The fifty Pastors and their congregations continue to live and labor for the Master. Recently, in a couple of these churches, 15 people came to know Christ and have witnessed in baptism. Pray for these new believers that they grow strong in the Lord. Also, remember the Pastors, their families and ministries during this Holiday Season.

Praise God for providing Christine with a job. Jennifer is still undergoing treatment from the auto accident. Pray that we remain faithful and focused!
