Dr. Peggy Ford's Book Published

Have you ever found yourself in the midst of an unexpected event in your life? Are you the person who likes to map out every detail of your life? Let me guess - when you find yourself in the midst of the unexpected mishap or unknown territory, your attitude takes a nose dive and you begin to doubt if you will ever recover to that calm peaceful mode you enjoy when you are in control.

My book, *Attitude Recovery*, provides simple truths which provide adverse recovery techniques to be applied while in unexpected life circumstances. This book can be purchased in e-book format from amazon.com for \$4.99, or a paperback copy may be purchased from the church office for \$10.00 or a donation, which includes shipping.

Memorial Day Celebration **Pastors Glenn and Michelle Gingrich** **Eagle Christian Ministries, York , PA**

We were honored to have Pastors Glenn and Michelle Gingrich as special speakers on May 29th. We were delighted to fellowship with them during our monthly pot of plenty. Pastor Glenn gave a timely message on the blessings of joyfully walking in steadfast faith and absolute obedience. The four letter word, *obey*, in the Greek translates to relying upon and putting complete trust in your superior authority. Many of

the congregation reflected upon this profound statement he made, "A promise delayed is not a promise denied." Pastor reminded us that what we see in the natural is not what God has for us in the supernatural. In the process of the godly walk, "Fruit comes before gifts. Character comes before fruit," Pastor Glenn stated. He challenged us to submit to Godly authority in the church, as he encouraged us to remain steadfast and endure to see what God has for us in the future.

Ministries of Helps

Pastor Rob has completed the computer giveaway for Interfaith. He faithfully trouble-shot each of the one hundred computers donated. Ninety percent of the computers were found in good working order and were distributed. One recipient, a single mom with several children, trudged to the local library with children in tow, to work on her online college course. Now, she rejoices as she is able to remain in her home to complete her studies. Many people have shared, "We are so blessed to have a functional computer for our children to use to complete their homework. "

Pastors Tim and Margie have been helping a young gentleman, who is blind due to a diabetic condition from birth. Pastor Tim provides transportation to his various doctor appointments. Pastor Margie faithfully saves him home-cooked meals, so that his freezer displays a variety of prepared meals .

As always, the phone never stops: This week a couple in our community had a major propane explosion; thus, they lost their home and all their possessions. We are saddened to hear that they had no home owner's insurance. This couple is unable to work due to medical disabilities; thus, they must rebuild and replace a lifetime of things with an extreme monetary limitation. If you would like to bless this couple, send a check with a memo, "fire victims" to the ministry: we will make sure they get it.

Summer has arrived after a long rainy spring season; thus, we have begun the count down for our 2011 Fields of Grace Festival on September 16-18. We are looking forward to visiting with each of you as we celebrate God's goodness. If you have not attended this event in the past, you have no idea what fun you have missed!

Friday evening, we gather in the outdoor tabernacle for an uplifting praise and worship service in which the world renowned evangelist, Dr. Gary Wood will bring a timely message. Anticipation fills the air, as we set the atmosphere for a weekend of revival. As the service adjourns, the campers fellowship into the wee hours of the night; and, arise with the sun on Saturday morning to begin to prepare for over four hundred guests expected to arrive at noon for a day of fun-filled activities. As the festivities begin, the aroma of barbeque chicken and roasted corn permeates the dew filled air as the live music entertains the crowd. After visiting the mini goats, horses, donkeys, alpacas, llama, and pot belly pigs at the tour barn, the youngsters race to the children's tents to see what new games beckon their attention, while the Christian motorcyclists prepare for their bike blessings and games at 2:00 p.m. At 4:00 p.m., the crowd gathers in the tabernacle for worship service and a powerful inspired message presented by Dr. Wood. The weekend festivities close with a pot of plenty covered dish luncheon after Sunday morning worship in the tabernacle. *You will leave refreshed, revived, and restored!*

We hope that you will come and join in the fun. You are welcome to camp on our thirty-one acre farm; if you are not the camping type, should you want to reserve a room for the weekend, you might consider: The Montrose Hotel, 570-278-1124; and The Rose Mont Bed and Breakfast, 570-278-7600. If you need additional suggestions, please call the ministry office at 570-278-5078.
